## EXPLORE, DIG, AND LEARN: BE A JUNIOR ARCHEOLOGIST AT OUR WINTER CAMP!

Experience the wonders of Dubai's historically rich archaeological sites through a 5-day immersive expedition for your children aged 6-14, where they will delve into the fascinating world of archaeology and uncover the rich history of the UAE. Set against the stunning desert landscapes of Saruq Al Hadid, this thrilling winter camp offers a hands-on learning experience where participants will engage with real archaeological techniques, explore historical treasures, and discover the region's cultural heritage.

The camp highlights include exploring an archaeological dig site, photography sessions, artifact restoration, registration and rescue workshops, and an archaeology trip to the Jumeirah Archaeological Site. Perfect for young adventurers eager to learn, get inspired, and gain new knowledge while making new friends in a dynamic outdoor setting.

### DAILY PROGRAMME:

#### DAY 1: THE BEGINNING OF AN ARCHAEOLOGICAL JOURNEY

On this exciting day, children will explore the world of archaeology by surveying a mock archaeological site and learning how to document their findings. After gearing up with vests, hats, and tools, they will engage in hands-on excavation, discovering hidden treasures and capturing their adventure through photography.

#### DAY 2: RESTORE THE PAST: REGISTER AND DOCUMENT

Throughout this engaging adventure, children will dive into the world of archaeological restoration, learning how to properly document and preserve their findings. They will engage in hands-on workshops such as the artifact restoration and registration, carefully moving their discoveries to a lab area, examining them, restoring, recording details, sketching their findings, and capturing photos to complete their archaeologist experience!

#### DAY 3: LAYERS OF TIME: EXPLORE AND RESCUE

During this hands-on workshop, children will explore the different sand layers of an archaeological site, simulating sandy, clay, and gravel layers through color gradation to better understand their sequence. They will also participate in the Artifact Rescue Challenge, where they will work together as a team to repair large, broken artifact pieces, document and register, connecting their creative efforts to the important work of real archaeologists.

#### DAY 4: ADVENTURE TO THE PAST: ARCHEOLOGY TRIP

An exciting field trip to the Jumeirah Archaeological Site awaits the children where they will learn directly from archaeology experts. After returning, they will participate in a workshop to write an archaeological report, incorporating field drawings, notes, and terminology related to their site visit to capture their learning experience.

#### DAY 4: ADVENTURE TO THE PAST: ARCHEOLOGY TRIP

An exciting field trip to the Jumeirah Archaeological Site awaits the children where they will learn directly from archaeology experts. After returning, they will participate in a workshop to write an archaeological report, incorporating field drawings, notes, and terminology related to their site visit to capture their learning experience.

#### DAY 5: DISCOVERY SHOWCASE: ARCHEOLOGISTS' JOURNEY GRAND FINALE

Get ready for an exciting finale with parents on the young archaeologists' journey! On this final day, children will engage in a beads excavation and designing workshop, uncovering beautiful beads made from precious stones, followed by a hands-on stamp workshop where they will create patterns inspired by archaeological evidence. To conclude their adventure, an exhibition of their findings will be displayed at Saruq Al Hadid, where they will present their discoveries to visitors and receive trophies, folders, and toolkits as lasting souvenirs of their experience as young archaeologists.

### WINTER CAMP KEY HIGHLIGHTS:

#### Explore Historically Rich Landmarks:

Discover the fascinating world of archaeology and discoveries as you explore the picturesque desert landscapes of Saruq Al Hadid and the Jumeirah Archeological Site.

#### Learn from Experts:

Gain valuable insights from experienced archaeologists and historians.

#### Hands-On Activities:

Participate in interactive activities and experiments that bring the past to life. Engage in exciting activities such as artifact excavation, and artifact restoration.

Join us for an unforgettable winter camp that will spark your child's imagination and inspire a lifelong passion for learning.

Limited spaces available.
